Welcome to 1227 Webster Street- where design, detail, and function come together in all the right ways! Step inside to a bright, open main level where clean lines and bold design choices set this home apart. The kitchen is a true standout, featuring quartz countertops, a center island, and a professional-grade Kucht range, complemented by a striking mix of Shaker-style cabinetry, copper accents, a black undermount sink, and designer sconces. The space flows effortlessly into the living and dining areas, where recessed lighting, a floating staircase, and south-facing windows fill the home with natural light. Just beyond, a private rear patio with wood slat flooring offers the perfect extension for indoor-outdoor living. The lower level has been thoughtfully finished as a modern home gym, complete with luxury vinyl plank flooring, a mounted TV setup, and a sleek full bath with tiled walk-in shower and contemporary black fixtures.
